Dear Mr. Ellis:

On behalf of The Salvation Army's Community Life Centre, I would like to thank you for your generous and enthusiastic support of our programs this Christmas. Your very generous donation of game meat, dressed and packaged, has been of great benefit to many of the families we served and will continue to work with throughout this coming year. It is truly a blessing to see such support demonstrated.

It is the kind sense of caring within our community demonstrated by your organization that helps build a stronger and healthier neighbourhood. We are very grateful to be able to work with partners such as you, who seek to build a better community.

May God richly bless each one of you in the coming year.

Yours truly,

Cyril Chalk,
Pastor for Community Ministries,
The Salvation Army Community Life Centre
